RULES

FOR THE

MYSORE STATE LIFE INSURANCE.

1. The following Rules of the Mysore State Life Insurance shall come into force on the 1st December 1891.

2. The Government reserve to themselves the right to add to or modify these rules after giving due notice thereof; but such additions or modifications shall have no retrospective effect.

3. In these rules—

The expression "Proposer" means the person whose life is proposed to be insured.

The expression "Insured" means the person who has insured his life under these rules.

The term "Policy" means the written document containing the contract for the payment under these rules of an endowment bonus in consideration of the premium paid by the insured.

"Pay" means "substantive pay" as defined in the Mysore Service Regulations.

4. Officers holding permanent apppointments under the Government of Mysore on the date of the introduction of these rules and Officers of other Governments now employed under the Mysore Government or hereafter entering its service may insure their lives under these rules; provided that in the case of the latter class of Officers, such insurance shall be subject to the consent of the Governments lending them.

5. Insurance shall be compulsory on all persons who may enter the service of the Mysore Government after the introduction of these rules from the date of their entering the Government service or in the case of those entering the Government service before 21 years of age from the date of their completing 21 years of age.

6. No Officer whose age exceeds 45 years or whose pay is below Rs. 10 shall be eligible for the first or subsequent insurance under these rules. For the purpose of these rules, the age of the Proposer shall be taken to be the age at his last birthday.

7. Ten per cent of the pay of the Insured shall be recovered every month as premium and credited to Government, in consideration of which an endowment bonus (according to the table appended to these rules) shall be payable from the Mysore Revenues on the Insured completing 55 years of age or at his death if earlier. Fractions of a rupee, other than multiples of four annas, shall be excluded in calculating the monthly premium.

8. Whenever the pay of an Insured is permanently increased, a further insurance shall be effected for such endowment bonus as will cover the surplus premium available.

9. The maximum premium or premiums for which one or more policies may be issued on the life of an Insured shall not exceed Rs. 50 per month whatever may be his pay.

10. When an Insured ceases to be under the service of the Government before completing the age of 55 years, he may elect either to continue to pay the premium due on his policy till it becomes mature or discontinue payment of the same, in which latter case the arrears of premium so withheld shall be treated as a debt against his policy and deducted with compound interest at 4 per cent from the bonus payable to him. Provided however that dismissed officials who have been ordered by Government to be included in the list of officials not eligible for re-entertainment in Government Service shall not be entitled to the benefit of this rule but shall receive only 50 per cent of the total premium paid by them without any interest.

11. If an Insured be degraded for any cause, he may either continue to pay the full premium on his policy or discontinue payment of the difference between such premium and that due on his reduced pay, the arrears being dealt with as prescribed in the preceding rule.

12. The business of the State Insurance Scheme shall be managed by a Committee composed of such persons as may be nominated by Government.

13. The Comptroller shall be the Secretary to such Committee and carry on all business under the general control of the said Committee.

14. The Committee aforesaid shall be competent to frame rules for the transaction of business and the conduct of its meetings.

15. All receipts and disbursements on account of the State Insurance shall be carried to a separate head of account and funds belonging to this account shall at the end of each month be invested in the Government Savings Bank or in such other manner as the Government may deem fit.

16. The accounts of the Fund shall be audited before 31st of July in each year by two Accountants of the Comptroller's or Public Works Examiner's Office who shall be selected by the Committee. And a report shall be submitted to Government by the Committee before the end of September as to the progress of the Fund during the previous official year, with such statements as may be prescribed by Government from time to time.

17. An Officer wishing to insure his life under these rules shall submit a proposal in Form No. 1 written in his own hand, whenever possible, and signed in the presence of his immediate superior, or the Chief Secretary to Government, or a Deputy Commissioner or District Judge who will forward the same in a sealed cover to the proper Medical Officer. Whenever the proposal is so forwarded by the Proposer's official superior, he shall state his own confidential opinion as to the eligibility of the life of the Proposer in Form No. 3 and attach it to the proposal in a sealed cover addressed to the Secretary to the Committee.

18. It shall be the duty of the Medical Officer to examine the Proposer and record his remarks on the back of the proposal and forward the same direct, to the Secretary in a sealed cover after obtaining the signature of the Proposer to the declaration prescribed therein.

19. Such Medical Officer shall be the District Medical Officer of the Government, not below the rank of an Assistant Surgeon, provided that when the pay drawn by the Proposer is not less than Rs. 250, the Medical Officer shall not be below the rank of a Civil Surgeon.

20. The proposal shall then be considered by the Committee. If the majority of the Committee are satisfied as to the eligibility of the Proposer, they may authorize the Secretary to issue a policy in Form No. 4 and to give intimation of the acceptance of the proposal to the Proposer through his immediate superior. If a proposal is not fully eligible, it may, with the consent of the Proposer, be accepted for a reduced bonus.

21. The Secretary shall forward the policy to the Officer in charge of the District Treasury within whose limits the Proposer may be employed, for delivery to him, on payment in cash of the first premium. The date of payment of the first premium shall be the date of the policy and shall be entered therein by the Treasury Officer before delivery.

22. When an Insured has to further insure his life as required by Rule 8, he shall submit a proposal in Form No. 2, signed as prescribed in Rule 17. The Proposer need not undergo a fresh medical examnation unless more than 5 years have elapsed since his last medical examination held for purposes of Insurance under these rules; in which case, the procedure prescribed in the said Rule 17 shall be followed. When a medical examination is not necessary, the proposal shall be forwarded in a sealed cover to the Secretary to the Committee. Whenever the proposal is so forwarded by the Proposer's official superior, he shall state his own confidential opinion as to the eligibility of the life of the Proposer in Form No. 3 and attach it to the proposal in a sealed cover addressed to the Secretary to the Committee. The procedure prescribed in Rules 20 and 21 shall be applicable to this further insurance.

23. The Committee shall authorize payment of the bonus to the Insured as soon as possible on his completing the age of 55 years and on surrendering his policy. If the Insured is dead, the bonus shall be paid to his nominees by will or other document duly registered in the Office of the Secretary to the Committee, and failing such nominees, to his legal heirs, after proof of the accrual of the claim and surrender of the policy.

24. The first premium on each policy must always be recovered in cash from the Insured. Subsequent premiums shall be payable in advance and be recovered monthly by deduction from the pay of the Insured.

25. When the Insured is absent from duty on leave with allowances, the premium shall be realized when such leave allowances are drawn. If he should obtain leave without allowances or be suspended from service, the premium, if not otherwise recovered, shall be a debt on his policy carrying interest at 4 per cent per annum and shall be recovered as arrears from his future pay, if any, in instalments not exceeding 5 per cent of such pay.

26. When an Insured who has ceased to be in the service of the Government is permitted to continue to pay premium till his policy matures, he may be allowed by the Committee to pay such premium monthly, quarterly, half-yearly or yearly into any Treasury of the Mysore Government. A grace of 15 days shall be allowed when the premium is payable monthly and a grace of one month when it is paid otherwise. If the Insured fails to pay the premium within the days of grace, no further cash payments shall be received from him but the arrears due and all future premiums shall be treated as a debt against his policy and recovered with compound interest at 5 per cent from his bonus.

27. Every Insured shall be supplied with a Premium Receipt Book (Form No. 5) in which payment of each premium shall be acknowledged by the Officer in charge of the Treasury where his pay is disbursed or by his immediate superior as the case may be.

28. If an Insured should lose his policy, a duplicate thereof may be issued to him by the Committee on his paying a fee of one rupee.

29. False information furnished by an Insured or production by him of any false evidence in connection with the insurance of his life shall render his policy null and void and the premiums paid by him shall be forfeited.
